

MASTER OF EUROPEAN AND INTERNATIONAL AFFAIRS

MA of “European and International Affairs” (MEIA) combines leading and interactive academic training with practice-oriented learning. Taking up a multidisciplinary approach, this two-year English taught study program offers modules from politics with special emphasis on the European Union, economics, international relations and law.

- Fully funded study summer trip of 2 weeks to EU institutions in Brussels as well as to Berlin
- Unique links to Germany and the EU with leading scholars with research expertise from renowned German and European Universities
- Multidisciplinary program combining politics, economics, international relations and law
- Dialogues with EU experts providing practical insights into Turkey's and Germany's role as actors in Europe and the world.
- Training of professional and academic skills preparing for a PhD or a career, e.g. in public administrations, international organizations, think tanks
- Pleasant and intercultural learning environment on a new and beautiful campus
